

Warranty of Quality

Dansco Manufacturing Inc. warrants to the original purchaser the product purchased to be free from defects in material and workmanship for the following items:

**New Dansco Units – One year parts & labor
Used Pumping Units – 90 days parts & labor
Parts – One year parts only**

The warranty begins on the date the part or unit is shipped to the purchaser. Dansco Manufacturing Inc. shall not be held liable or responsible under any circumstance or in any amount for consequential or incidental damages or for damages to persons or property using or used in or in connection with any product, whether or not defective, or for loss of profits or other costs, expenses or charges of any kind or character.

All Dansco units are designed in accordance with API Standard 11E and will perform satisfactorily within the limits for which it is designed.

The above warranty does not extend to goods damaged because of accident, improper handling or operation, abuse or misuse. The company's sole obligation under this warranty shall be to repair, replace or issue credit on defective parts and workmanship on units or parts. All warranty work shall be approved and agreed upon by Dansco Manufacturing Inc. before said work is to begin. The above warranty is void if unit is in any way altered or repaired by anyone other than Dansco Manufacturing Inc. or an approved service provider.
